MANAGEMENT DISCUSSION & ANALYSIS REPORT**(for year ended 31st March, 2023)****FORWARD LOOKING STATEMENTS**

This report contains forward-looking statements, which may be identified by the use of words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' or other words of similar connotation. All statements that address expectations or projections about the future, including, but not limited to statements about the Company's strategy for growth, product development, market position, expenditures, and financial results, are forward-looking statements. Forward-looking statements are based on certain assumptions and expectations of future events. The Company cannot guarantee that these assumptions and expectations are accurate or will be realized. The Company's actual results, performance or achievements could thus differ materially from those projected in any such forward looking statements. The Company assumes no responsibility to amend, modify or revise any forward looking statement, on the basis of any subsequent developments, information or events.

INDUSTRY OVERVIEW

India produces approximately 10% of the world annual bicycle production, which is estimated at 150 Million units. The annual domestic demand of bicycles in India is approximately 12.5 million units, out of which around 4.0 million units is a government demand for the various welfare schemes. Exports out of India are largely to Africa and the less developed economies and negligible to western markets. Today, the Indian bicycle manufacturing and bicycle parts industry is widely recognized for its quality standards in the international market.

Bicycle market in India is projected to grow at a CAGR of over 10% till 2023 on account of growing population base, increasing discretionary spending and rising health consciousness among people. In India cycle is being swiftly adopted as a mean to stay fit and as a popular recreational activity. Growing urban population base and rising demand for roadster bicycles from rural population to derive growth in the countries bicycle market in the ensuing years.

The market for the premium or the lifestyle bikes targeted towards the lifestyle consumer is just about emerging on account of increasing individual incomes and higher aspiration levels of the middle income group. Growth in the "specials segment" (Sport Light Roadster, mountain terrain bike and children's bicycles) was higher than in the "standard segment". The definition of high end bikes itself

is changing.

Not only are the price points changing, but even definitions of the segments. Cycles were simplistically segmented into gents, ladies, kids and high end. But now the lifestyle bikes are being segmented in line with the global trend that is based on their usage. There are Road bikes, Mountain terrain bikes and Children bikes etc.

M/s. Atlas Cycles (Haryana) Limited is a Public Limited Listed Company having presence in bicycles segment with a track record of more than 70 Years, having established brand both in Indian as well as International Market. The company is engaged in manufacturing of bicycles and bicycles components.

OPPORTUNITY AND THREATS

The areas of strength are promoters having long track record, rich experience and adequate manufacturing infrastructure with latest technology and strong dealers network. Atlas Brand is well accepted both in Indian as well as International Market and one of the largest cycle manufacturer in the world. However, the areas of weaknesses: Rising input cost i.e. prices of sheets, strips, Tyres, Tubes and other related chemicals are governed by external forces including its trend in International Market. Product obsolescence vis-a-vis non-acceptance of model could adversely affect the revenue stream and profitability. Further these are the major areas under business risk, promoters risk, and financial risk and so on.

PRODUCTWISE PERFORMANCE

The company has a recognized Research and Development centre recognized by the Government of India which is continuously working on development of new models and upgrading the present models. The company has introduced a number of new models in the market keeping in view the market trend and customer preference for fancy bicycles. Further Atlas has widened its product range and the company is concentrating and researching more and more on Fancy cycles for satisfying changing needs of youth.

OUT – LOOK

India is the second largest manufacturer of bicycles in the world. Unlike the developed nations where bicycle is used primarily for health & recreational purposes, India needs bicycles for socio-economic empowerment of 1/3rd of its populations. Growth in population, health consciousness

and socio-economically sustainable rural development are most important demographic trends promoting bicycle as the obvious choice of transportation in future. Out of the total quantity sold, approximately 55% bicycles are roadsters 25% fancy and about 20% meant for kids. With rising income of the middle class, fancy and kids segment will grow at a much faster pace as compared to normal roadster cycles.

SEGMENT WISE PERFORMANCE

Bicycle industry has continued to show a growth of around 4 to 5% during last two years inspite of general slowdown in the economy. Standard bicycle segment which contributes around 55% of the total sales is growing marginally as compared to Fancy and Kids segments which are growing at 7 to 8% every year. Fancy cycles with features like disc breaks, shockers, alloy wheels and gears are driving the sales particularly in metro and mini-metro cities. With rising income of the middle class, fancy segment especially the kids segment is showing a very healthy growth.

RISK AND CONCERNS

Small manufacturers from unorganized sectors are increasing their market presence every year. With little infrastructure and low overheads, they are able to supply bicycles at a very low price as compared to the organized sector because of which profitability of the industry is under stress. Though they are not supplying very good quality product and their after sales service is not comparable, but because of the price advantage, their sales volume is increasing every year.

INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

To achieve effectiveness and efficiency of operation, reliability of financial reporting and compliance with applicable laws, rules, and regulations and compliance of significant policies, the Company has a well defined system of internal control throughout the organization. The internal audit department regularly probes the deficiency in operation of internal control and suggest ways to rectify such deficiencies. To improve efficiency and internal control company has introduced Microsoft-Navision 2009, an Enterprise Resource Planning (ERP) system. Due to the total integration, there is a consistent

flow of accurate and easy to access data within all the departments. The company has adequate systems of internal control to provide reasonable assurance that assets are safeguarded and protected against loss from unauthorized use or disposition and those transactions are authorized, recorded and reported properly.

FINANCIAL PERFORMANCE

The company has achieved a turnover ₹ 173.15 Lacs in FY 2022-23 compared to ₹ 342.05 Lacs during the previous year.

HEALTH SAFETY AND ENVIRONMENT

Atlas is fully committed to the safety, health and well-being of its employees and to minimizing the environmental impact on its business operations. A safe and healthy environment is maintained and appropriate steps are taken with the object of minimizing the environmental impact on all processes and practices. The Company has a range of policies on quality, safety and health aspects to guide the employees work practices, actions and decisions. The Company strives to continuously improve the effectiveness of its policies and the employees are encouraged to contribute their mite in this direction. All employees are obliged to ensure that they fully understand all policies and do fully comply with the requirements.

HUMAN RESOURCE AND INDUSTRIAL RELATIONS

One of the "Key" reasons for the exponential growth of Atlas is undoubtedly its "People". The Company has always provided an open and challenging work environment, wherein the staff members get an opportunity to rapidly gain and assimilate knowledge. Creativity and dedication of all the employees represent the most precious assets of the Company. For the growth of the organization, the human resource function has an important role to play not only in identifying and recruiting suitable individuals, but also in developing and rewarding its employees. As such, we have remained focused on strengthening human capital through continuous training and development and by upgrading skills of employees to meet the Company's objectives. The Company has a union free environment and the industrial relations scenario continued to be stable during the year.

CORPORATE GOVERNANCE REPORT 2022-23

CIN: L35923HR1950PLC001614

The Directors present the Company's Report on Corporate Governance for the year ended March 31, 2023, in compliance with the requirements stipulated under Regulation 17 to 27 read with Schedule V and clauses (b) to (i) of sub-regulation (2) of Regulation 46 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as applicable, with regard to corporate governance.

Corporate Governance is the set of policies, processes and practices governing the affairs of a Company in pursuit of its business goals. Corporate Governance is based on the principles of integrity, fairness, equity, transparency, accountability and commitment to values. Good governance practices stem from the culture and mindset of the organization. As stakeholders across the globe evince keen interest in the practices and performance of companies, Corporate Governance has emerged on the centre stage.

Over the years, governance processes and systems have been strengthened and institutionalized at Atlas. Effective implementation of these policies underpins the commitment of the Company to uphold highest principles of Corporate Governance consistent with the Company's goal to enhance shareholders' value.

Keeping in view the Company's size, complexity, global operations and corporate traditions, the Company's Governance framework is based on the following main principles:

- Constitution of Board of Directors of appropriate composition, size, varied expertise and commitment to discharge their responsibilities and duties.
- Ensuring timely flow of information to the Board and its Committees to enable them to discharge their functions effectively.
- A sound system of risk management and internal control.
- Independent verification and safeguarding integrity of the Company's financial reporting.
- Timely and balanced disclosure of all material information concerning the Company to all stakeholders.
- Transparency and accountability.

- Fair and equitable treatment to all stakeholders including employees, customers, shareholders and investors.
- Compliance with all the rules and regulations.

The Company recognizes that good Corporate Governance is a continuing exercise and is committed to follow the best practices in the overall interest of the stakeholders.

A Report on compliance with the principles of Corporate Governance as prescribed by The Securities and Exchange Board of India (SEBI) in Chapter IV read with Schedule V of the SEBI Listing Regulations is give below:

1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE

Corporate Governance deals with the complex set of relationships between the Company and its board of directors, management, shareholders and other stakeholders. Your Company believes that changes are inevitable in the corporate world, whether relating to laws, rules, regulations, standards, procedures, public disclosures, thereby constantly posing challenges for the corporate to meet with the highest set of standards of business ethics and fair play. However, adherence to Corporate Governance practices at each such time shall lead the way to transparent and just business operations.

Corporate Governance encompasses good practices, adherence to laws, procedures, standards and implicit rules that enable the management to take wise and sound decisions, whose results will have an impact not only on its shareholders, creditors, associates, employees and the government but society at large. The core objective of Corporate Governance is to maximize shareholder value through an open and transparent disclosure regime. INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF ATLAS CYCLES (HARYANA) LIMITED

Report on the Audit of Standalone Ind AS Financial Statements

Qualified Opinion

We have audited the standalone Ind AS financial statements of **Atlas Cycles (Haryana) Limited** (*"the Company"*) which comprise **Balance Sheet as at 31st March, 2023**, the Statement of Profit and Loss, (including other comprehensive income), the Cash Flow Statement and statement of changes in equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (*hereinafter referred to as "the standalone financial statements"*).

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the '**Basis of Qualified Opinion**' section of our Report, the aforesaid standalone Ind AS financial statements give the information required by the companies Act 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian accounting standards ("IND AS") prescribed under section 133 of the act read with the companies (Indian accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the company as at **31st March 2023**, of its **Loss**, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis of Qualified Opinion

As explained in notes to standalone financial statements for the year ended 31st March 2023,

1. Refer Notes 8.1, 8.2 and 14.1 of the statement, we are unable to comment on the current status of suit filed for earlier year by the company for criminal and recovery proceedings filed for above referred matters.
2. Refer Note 9 of the statement, the Physical Stock taking at Sonapat and Malanpur units have not been carried out as at the Balance Sheet date as the Sonapat unit was sealed by Municipal Committee Sonapat. Hence, we are unable to comment on the physical stock position at Sonapat unit amounting to Rs. 6,50,03,902/-.
3. Refer Note 9.1, Since the company is not having its manufacturing activities operational as on the date of report, the stock in trade is valued at cost instead of valued at cost or net realizable value whichever is lower. Quantification of effect is not ascertainable in absence of Net realizable value, marketability and usability of stock.
4. Refer Note 11 of the statement, in absence of reconciliation with individual debtors and in absence of balance confirmations from debtors, we are unable to comment upon position of debtors of Rs 18,68,88,759/- considered as good.
5. Refer Note 23.1 and Note 40, The company has not provided for the interest on overdue outstanding payment of creditors including MSMEs and on suits filed by creditors in different courts. Exact quantum of liability is not ascertainable in absence of reconciliations with suppliers and balance confirmations by suppliers; however, the company has disclosed in contingent liability regarding claims of interest filed by creditors in different courts.
6. Refer Note 2 of the significant policies to the statement, we are unable to comment on certain current accounts with banks as we have not been provided with certain bank statements for the year under report claimed to be non- operative in books of the company.
7. Refer Note 5.1 of the statement, Special attention is brought on unquoted investment In equity shares and debentures.
8. Refer Note 20.1, we are unable to comment upon transaction relating Rs. 5,90,00,000/- as advance received against sale of non- core asset in absence of Proper Agreement to sell/ Sale deed or explanation provided to us.
9. Refer Note 7 of the statement, the company has not provided for deferred tax Liability/ Deferred tax asset during the year 2022-23 .

10. The company has not provided reconciliation of books with 26AS "ANNUAL TAX STATEMENT" as per Income Tax and further no liability was recognized or disclosed in contingent liability related to TDS interest and late fee amounting Rs. 77,689/- and 5050/- as reflecting 26AS statement.
11. Refer note 22.1, the company has defaulted in repayment of Inter corporate Loan within stipulated time as per the agreed terms. Further, the company has not recognized interest expense on the borrowings of the company. The accumulated interest not provided as on 31st March 2023 is Rs. 2,97,00,000/- (including Rs. 99,00,000/- for the financial years 2022-23, Rs. 99,00,000/- for the financial years 2021-22 and Rs. 99,00,000/- 2020-21, calculated at simple interest rate) which is not in accordance with the requirement of Ind AS 23; Borrowing Cost. The company has understated losses to the tune of Rs. 99,00,000/- for FY 2022-23.
12. Refer Note 36.1, the company has not provided for Statutory Audit fee during the financial year, hence understated losses to the tune of Rs. 29,00,000/-. The accumulated Statutory Audit fee not provided as on 31st March 2023 is Rs. 87,00,000/- (including Rs. 29,00,000/- for the financial years 2022-23, Rs. 29,00,000/- for the financial years 2021-22 and Rs. 29,00,000/- 2020-21).
13. Refer Note 25.2 and Note 11.1, The company has neither exported goods nor disclosed advance against export sales as per FEMA regulations amounting Rs.22,84,620/- in Sahibabad unit and Rs. 53,57,299/- in Sonapat unit respectively.
14. The company has not provided for Gratuity liability as per IND-AS 19 as on Balance Sheet date and further we are unable to quantify the effect of the same due to unavailability of Actuarial valuations and significant records.
15. The company has not filed the annual return of GST for the year. Special attention is brought to the fact that due to non- payment/ non- filing of return, the GSTN of Sonapat unit has been suspended by the department.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement. We are independent of the company in accordance with the code of ethics issued by The Institute of Chartered Accountants of India and we have fulfilled our ethical responsibilities in accordance with the provisions of the act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

Emphasis on Matter

1. We draw attention to the preparation of Financial Statements on a Going Concern basis, for the reasons stated as under. The company has accumulated Losses of Rs. 12,29,87,807 but has incurred loss of Rs. 23,24,80,379/- during the year ended 31st March 2023. As on date the company's current liabilities are substantially higher than its current assets and the company's Net worth as per books has been fully eroded as on the reporting year to negative Rs. 32.29 crores.

These conditions indicate the existence of material uncertainty that may cast significant doubt on company's ability to continue as Going concern and therefore it may be unable to realize its assets and discharge its liabilities including potential liabilities in normal course of business. Further, the operations of the company have been completely closed therefore the concept of going concern is also doubtful.

The appropriateness of assumption of concept of Going concern is critically dependent upon the Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the company to continue as Going concern is solely dependent on the successful outcome of these conditions, which are not wholly in control of the company.

The hon'ble NCLT Delhi vide order dated 06.12.2022 removed the existing Directors and management committees' members of the company and appointed six new directors on the Board and the newly appointed Board shall be stepping into and responsible for all decisions, reporting, signing, finalizing and authorizing Financial statement for year ending as at 31st March 2023. However, the present new management has resolved on 22-04-2023 that the

financial statements shall be prepared on going concern basis based on their assessment of successful outcome of revival plan , which shall enhance Company's viability accordingly no adjustments have been made to the carrying value of the Assets and Liabilities. Further we have been informed that hon'ble NCLAT Delhi bench has vide order dated 02.08.2023 set aside for review the earlier order of NCLT order dated 06.12.2022 and next date of hearing is fixed for 16.08.2023.

2. Special attention brought to the fact that the accounting record ERP System related to Sonepat and Malanpur units were incomplete due to sealing by municipal committee of Sonepat and server problem of Malanpur unit and management decided to shift all accounting from ERP to Tally software for the year under reporting. We have relied upon the judgement of management for shifting of accounting software from ERP to tally for sonepat and Malanpur unit for the FY 2022-23.

Our opinion is not modified in respect of this matter 1 and 2 .

Key Audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below are key audit matters to be communicated in our report.

KEY AUDIT MATTERS	HOW OUR AUDIT ADDRESSED THE KEY AUDIT MATTERS
Refer Note 9.1 , read with point no. 3 of Basis of Qualified opinion ,the valuation of stock in trade is taken at cost as certified by the management. Considering the significant judgement involved , increased complexities due to closed down of operations of Plant, uncertainty and materiality of the amount involved, we have identified valuation of Stock at cost as Key Audit Matter for current year Audit. The company has created a provision for doubtful Trade Receivables amounting Rs. 2,35,50.323/- during the year. The company has PAN India Dealer net work with defined credit period for Trade receivables which has now long outstanding receivable amount for which appropriate loss allowance is required to be created for expected credit losses using simplified approach in accordance with the requirement of Ind AS 109 measuring the Loss allowance equal to credit losses. Only Sahibabad unit has Circularized balance confirmation directly to the address of the Statutory Auditors. No parties has responded even their balances were not reconciled. Considering the significant judgement involved , increased complexities due to closed down of operations of Plant, uncertainty and materiality of the amount involved, we have identified realization of the Trade Receivables as Key Audit Matter for current year Audit.	Principal Audit Procedures performed: <ul style="list-style-type: none"> - Understanding the trade receivables process with regard to valuation and testing of controls designed and implemented by the management. - Testing the accuracy of aging of trade receivables at year end on sample basis. - Obtained a list of outstanding receivables and discussed plan of recovery with the management. - Circularized balance confirmation directly to the address of the Statutory Auditors and discussed any variation if any. - Tested subsequent settlement of trade receivable after the Balance Sheet date on a sample basis. - Verified the related disclosures made in notes to financial statements in accordance with IND AS 115 and IND AS 109. - The company has not followed IND-AS 109 for impairment loss of Trade Receivables

<p>Refer Note 23.1 read with point no. 5 of Basis of Qualified opinion on Litigations, claims and Contingent Liabilities regarding interest liability totaling Rs. 15,63,35,087 on cases pending at MSME, NCLT and district courts amounting Rs. 4,24,51,993, Rs. 10,16,70,398 and Rs. 1,22,12,696 respectively.</p> <p>Considering the significant judgement involved, increased complexities due to closed down of operations of Plant, uncertainty and materiality of the amount involved, we have identified Litigations, claims and Contingent Liabilities as Key Audit Matter for current year Audit.</p>	<p>Principal Audit Procedures performed:</p> <ul style="list-style-type: none"> - Understanding the process, evaluated the design and implementation with regard to recording of provisioning, claims and contingent Liabilities. - For those matters where Management concluded that no provision should be recorded, we also considered the adequacy and completeness of disclosures made in relation to contingent liabilities.
<p>Refer Note 25 read with point 7 of Annexure A of the report, of Basis of Qualified opinion the company has significantly defaulted in payment of statutory dues as on the Balance Sheet date and as on the date of the report amounting to Rs. 1,65,90,785/- which included EPF of Rs. 1,49,03,083/-, ESI of Rs. 9,91,167/-, TDS of Rs. 6,88,588/-, and GST of Rs. 7,947/- .</p> <p>Considering the significant judgement involved, increased complexities due to closed down of operations of Plant, uncertainty and materiality of the amount involved, we have identified defaulted in payment of statutory dues as Key Audit Matter for current year Audit.</p>	<p>Principal Audit Procedures performed:</p> <ul style="list-style-type: none"> - Understanding the process, evaluated the design and implementation with regard to recording of payment of statutory dues. - The statutory dues regarding PF, ESI, Gratuity, GST, TDS were outstanding as on Balance Sheet date and as on the signing date. - The management is of view that the statutory dues shall be paid on preferential basis.

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibilities for the Standalone Financial Statements

The Company's Management and Board of Directors are responsible for the preparation and presentation of these standalone financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the standalone financial position, standalone financial performance, standalone cash flows and changes in equity of the Company in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of the standalone financial statements. The Board of Directors of the company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the management and Board of Directors of the Company are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors of the Company is also responsible for overseeing the financial reporting process of the company.

Auditors' Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 (The Order) issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure A" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable

“Annexure A” to the Independent Auditors’ Report

(Referred to in paragraph 1 under “Report on Other Legal and Regulatory Requirements” section of our report of even date to the members of ATLAS CYCLES (HARYANA) LTD.)

The Annexure referred to in our Independent Auditors’ Report to the members of the Company on the standalone Ind AS Financial Statements for the year ended 31 March 2023, we report that:

- 1) (a) The Company has generally maintained proper records showing full particulars, including quantitative details and situation of fixed assets except for Sonapat unit as the unit was sealed and operations were closed;
- (b) The company has a policy on physical verification of the fixed assets in a phased manner, designed to cover all the items over a period of three years, which in our opinion, was reasonable having regard to the size of the company and nature of its business. However, we have explained that due to , sealing of Sonapat unit and closure of operations of the company, fixed asset has not been physically verified by the management during the year.
- (c) According to information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties are held in the name of the company.
- 2) (a) As explained to us, the inventories were physically verified during the year by the Management except for Sonapat unit , due to the Sonipat unit was under seal by municipal community/ corporation of Sonapat .
- (b) The discrepancies on physical verification of the inventory, wherever physical verification was done, as compared to books records, which have been dealt with were not material.
- 3) The Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability partnerships or other parties covered in the Register maintained under section 189 of the Act. Accordingly, the provisions of clause 3 (iii) (a) to (C) of the Order are not applicable to the Company and However, attention is drawn on Note No. 8.1, 8.2, 14.1 of the statement.
- 4) In our opinion and according to the information and explanations given to us, the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 In respect of loans, investments, guarantees, and security given.
- 5) The Company has not accepted deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable
- 6) As informed to us, the maintenance of Cost Records has not been specified by the Central Government under sub-section (1) of Section 148 of the Act, in respect of the activities carried on by the company.
- 7) According to the information and explanation given to us, and the records of the company examined by us, the company is not regular in depositing with the appropriate authorities undisputed statutory dues including provident fund, employees state insurance, income-tax, goods and service tax, cess and other material statutory dues. However, according to the information and explanation given to us, undisputed material amounts payable in respect of statutory dues were in arrears as at 31st March, 2023 for a period more than six months from the date they became payable, on account of following:

Nature of liability	Amount of liability payable (In Rs.)
ESI	9,91,167/-
PF	1,49,03,083/-
TDS	6,88,588/-
Professional Tax	NIL
GST	7,947/-

- 8) In our opinion and according to the information and explanations given to us, the Company has not defaulted in the repayment of dues to banks. The Company has not taken any loan either from financial institutions or from the government and has not issued any debentures.

- 9) Based upon the audit procedures performed and the information and explanations given by the management, the company has not raised moneys by way of initial public offer or further public offer including debt instruments. “Annexure – B” to the Independent Auditors’ Report

(Referred to in paragraph 1(f) under Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ATLAS CYCLES (HARYANA) LIMITED (“the Company”) as of 31 March 2023 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, during the year most of the units were substantially non-operative and most of the employees were not available for explanation at the time of our audit, therefore, in absence of proper explanation and records, we are unable to comment on all material aspects however, an adequate internal financial controls system over financial reporting with reference to IND-AS financial statements and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India”.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO STANDALONE FINANCIAL STATEMENT**Note-2 & 3****1. Significant accounting policies****1.1. Basis of measurement**

The financial statements have been prepared under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupees and two decimals thereof, except as stated otherwise.

1.2. Use of estimates and judgements

The presentation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amount of revenue and expenses during the reporting period. The application of accounting policies that requires critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 1.3. Accounting estimates could change from period to period. Actual result could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.3. Critical accounting estimates**a) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced by rebates and other similar allowances.

Revenue from the sale of goods is recognised when the goods are dispatched and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably

Dividend income from investments is recognized when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

b) Useful lives and residual value of property, plant and equipment and Intangible assets

Company reviews the useful lives and residual values of property, plant and equipment and Intangible Assets at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative efficiency and operating costs. Accordingly useful lives are reviewed annually using the best information available to the Management.

1.4. Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The management has used useful lives for assets as mentioned in Schedule II of Companies Act, 2013.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

1.5. Impairment of assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

1.6. Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

Computer software which is not an integral part of the related hardware is classified as an intangible asset and is being amortized over the estimated useful life.

1.7. Employee benefits**Defined contribution plan**

Employee benefits in the form of Provident Fund (with Government Authorities) are considered as defined contribution plan and the contributions are charged to the statement of Profit & Loss of the year when the contributions to the respective funds are due.

Defined benefit plan

Retirement benefits in the form of Gratuity and Long term compensated leaves are considered as defined benefit obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit

method, as at the date of the Balance Sheet. Other short-term absences are provided based on past experience of leave availed.

Actuarial Gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

1.8. Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets or a liability is recognised when the Company becomes a Party to the contractual provision of the instrument.

a) Financial assets

Financial assets include cash and cash equivalent, trade and other receivables, investments in securities and other eligible current and noncurrent assets.

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfers the financial assets and the transfer qualifies for the derecognition under Ind AS 109.

Investment in equity shares

Investments in equity securities are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Profit or Loss.

The company assesses impairment based on expected credit loss (ECL) model to all its financial assets measured at amortised cost.

b) Financial liabilities

Financial liabilities include long term and short-term loan and borrowings, trade and other payables and other eligible current and non-current liabilities.

All financial liabilities recognized initially at fair value and, in the case of loans and borrowing and other payable, net of directly attributable transaction costs. After initial recognition, financial liabilities are classified under one of the following two categories

i) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

ii) Financial liabilities measured at amortised cost

After initial recognition, such financial liabilities are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of financial liability. The EIR amortization is included in finance expense in the profit and loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

1.9. Taxes on income

Income tax expense represents the sum of current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income.

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that in future taxable profits will be available to set off such deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

1.10. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting period and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized in financial statements but are disclosed, if any.

1.11. Borrowing cost

Borrowing costs incurred for the acquisition or developing of qualifying assets are recognized as part of cost of such assets when it is considered probable that they will result in future economic benefits to the company. While other borrowing cost are expensed in period in which they are incurred

1.12. Foreign currency transactions

Financial statements have been presented in Indian Rupees, which is the Company's functional and presentation currency. Transactions in foreign currencies are initially recorded by the Company at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in profit or loss. Differences arising on settlement of monetary items are also recognised in profit or loss.

1.13. Provision for bad debts

Provision against doubtful debtors to be created based on the age and category (good, doubtful, disputed and irrecoverable) of the debtors. Provision for Bad and Doubtful debts have been created on case to case basis after assessing the recoverability aspect.

1.14. Government grant

Grants related to specific Fixed Assets are disclosed as a deduction from the value of concerned Assets. Grants related to revenue are credited to the statement of Statement of Profit and Loss. Grants in the nature of promoter's contribution are treated as Capital Reserve.

1.15. Cash flow statements

Cash Flow is reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non- cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generation, investing and financing activities of the company are segregated.

37 FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities are expose it to **market risk, credit risk and liquidity risk**.

I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments. The sensitivity analyses in the following sections relate to the position as at 31st March 2023 and 31st March 2022.

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other postretirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio .

(i) The exposure of Company borrowings to interest rate changes at the end of reporting period are as follows:

Particulars	As at 31st March, 2023 (Amount in Lacs)	As at 31st March, 2022 (Amount in Lacs)
Variable rate borrowings	-	-
Fixed rate borrowings	900	900
Total borrowings	900	900

(ii) As at the end of reporting period, the Company had the following variable rate borrowings outstanding:

Particulars	As at 31st March, 2022		As at 31st March, 2022	
	Balance	% of total loans	Balance	% of total loans
Loans repayable on demand (Cash Credit)	-	-	-	0.00
Net exposure to cash flow interest rate risk	-	-	-	0.00

(iii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Increase/ Decrease in Basis Points		Impact on Profit before Tax	
	31-Mar-23	31-Mar-22	31-Mar-23	31-Mar-22
Decrease in Profit before Tax	+50	+50	+50	+50
Increase in Profit before Tax	- 50	- 50	- 50	- 50

(b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to the foreign exchange risk through its trading sales.

Amount in Forex

Foreign currency exposure	Currency	As at 31st March 2023	As at 31st March 2022
Trade Receivables	USD	-	-

II. Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, mutual funds and other financial instruments.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in domestic markets. The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

III. Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling, forecast on the basis of expected cash flows.

39 Recognition of opening and closing balances of Defined Benefit Obligation

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, as defined benefit plan. The gratuity plan provides for a lump sum payment to the employees at the time of separation from the service on completion of vested year of employment i.e. five years. During the year unavoidable circumstances company has not got the actuarial for the year under reporting.

These plans typically expose the Company to actuarial risks such as: investment risk, inherent interest rate risk, longevity risk and salary risk

Investment Risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Currently for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF ATLAS CYCLES (HARYANA) LIMITED****Report on the Audit of Consolidated Financial Statements****Qualified Opinion**

We have audited the accompanying consolidated financial statements of Atlas Cycles (Haryana) Limited ("the Holding Company") and its Subsidiaries Atlas Cycles Sonapat Limited, Atlas Cycles (Sahibabad) Limited and Atlas Cycles (Malanpur) Limited which have been audited by other auditors and we have relied upon their audit report (collectively referred to as "the Group") which comprise the consolidated Balance Sheet as at 31st March, 2023, the consolidated Statement of Profit and Loss and the consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in '**Basis of Qualified Opinion**' section of our report, aforesaid Consolidated financial statements give the information required by the companies Act 2013 (the Act) in the manner so required and give a true and fair view in conformity with the Indian accounting standards ("IND AS") prescribed under section 133 of the act read with the companies (Indian accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India, of the state of affairs of the company as at 31st March 2023, of its loss, changes in equity and cash flows for the year ended on that date.

Basis of Qualified Opinion

1. Refer Notes 8.1, 8.2 and 14.1 of the statement, we are unable to comment on the current status of suit filed for earlier year by the company for criminal and recovery proceedings filed for above referred matters.
2. Refer Note 9 of the statement, the Physical Stock taking at Sonapat and Malanpur units have not been carried out as at the Balance Sheet date as the Sonapat unit was sealed by Municipal Committee Sonapat . Hence, we are unable to comment on the physical stock position at Sonapat unit amounting to Rs. 6,50,03,902/-
3. Refer Note 9.1, Since the company is not having its manufacturing activities operational as on the date of report, the stock in trade is valued at cost instead of valued at cost or net realizable value whichever is lower. Quantification of effect is not ascertainable in absence of Net realizable value, marketability and usability of stock.
4. Refer Note 11 of the statement, in absence of reconciliation with individual debtors and in absence of balance confirmations from debtors, we are unable to comment upon position of debtors of Rs 18,68,88,759/-considered as good.
5. Refer Note 23.1 and Note 40, The company has not provided for the interest on overdue outstanding payment of creditors including MSMEs and on suits filed by creditors in different courts. Exact quantum of liability is not ascertainable in absence of reconciliations with suppliers and balance confirmations by suppliers; however, the company has disclosed in contingent liability regarding claims of interest filed by creditors in different courts.
6. Refer Note 2 of the significant policies to the statement, we are unable to comment on certain current accounts with banks as we have not been provided with certain bank statements for the year under report claimed to be non- operative in books of the company.
7. Refer Note 5.1 of the statement, Special attention is brought on unquoted investment In equity shares and debentures.
8. Refer Note 20.1, we are unable to comment upon transaction relating Rs. 5,90,00,000/- as advance received against sale of non- core asset in absence of Proper Agreement to sell/ Sale deed or explanation provided to us.

13. The company has not provided for Gratuity liability as per IND-AS 19 as on Balance Sheet date and further we are unable to quantify the effect of the same due to unavailability of Actuarial valuations and significant records.
14. The company has not filed the annual return of GST for the year. Special attention is brought to the fact that due to non- payment/ non- filing of return, the GSTN of Sonapat unit has been suspended by the department.

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about

whether the consolidated financial statements are free from material misstatement. We are independent of the group in accordance with the code of ethics issued by The Institute of Chartered Accountants of India and

we have fulfilled our ethical responsibilities in accordance with the provisions of the act. We believe that the audit evidence we obtained is sufficient and appropriate to provide a basis for our Qualified opinion.

Emphasis on Matter

1. We draw attention to the preparation of Financial Statements on a Going Concern basis, for the reasons stated as under. The company has accumulated Losses of Rs. 12,29,87,807 but has incurred loss of Rs. 23,24,80,379/- during the year ended 31st March 2023. As on date the company's current liabilities are substantially higher than its current assets and the company's Net worth as per books has been fully eroded as on the reporting year to negative Rs. 32.29 crores.

These conditions indicate the existence of material uncertainty that may cast significant doubt on company's ability to continue as Going concern and therefore it may be unable to realize its assets and discharge its liabilities including potential liabilities in normal course of business. Further, the operations of the company have been completely closed therefore the concept of going concern is also doubtful.

The appropriateness of assumption of concept of Going concern is critically dependent upon the Company's ability to raise requisite finance, generate cash flows in future to meet its obligations and to earn profits in future. The ability of the company to continue as Going concern is solely dependent on the successful outcome of these conditions, which are not wholly in control of the company.

The honorable NCLT Delhi vide order dated 06.12.2022 removed the existing Directors and management committees' members of the company and appointed six new directors on the Board and the newly appointed Board shall be stepping into and responsible for all decisions, reporting, signing, finalizing and authorizing Financial statement for year ending as at 31st March 2023. However, the present new management has resolved on 22-04-2023 that the financial statements shall be prepared on going concern basis based on their assessment of successful outcome of revival plan, which shall enhance Company's viability accordingly no adjustments have been made to the carrying value of the Assets and Liabilities. Further we have been informed that honorable NCALT

Delhi bench has vide their order dated 02.08.2023 has set aside for review the earlier order of NCLT order dated 06.12.2022 and next date of hearing is fixed for 16.08.2023.

2. Special attention brought to the fact that the accounting record ERP System related to Sonapat and Malanpur units were incomplete due to sealing by municipal committee of Sonapat and server problem of Malanpur unit and management decided to shift all accounting from ERP to Tally software for the year under reporting. We have relied upon the judgement of management for shifting of accounting software from ERP to tally for Sonapat and Malanpur unit for the FY 2022-23.

Our opinion is not modified in respect of this matter 1 and 2 .

Key Audit matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below are key audit matters to be communicated in our report.

KEY AUDIT MATTERS	HOW OUR AUDIT ADDRESSED THE KEY AUDIT MATTERS
Refer Note 9.1 , read with point no. 3 of Basis of Qualified opinion ,the valuation of stock in trade is taken at cost as certified by the management. Considering the significant judgement involved , increased complexities due to closed down of operations of Plant, uncertainty and materiality of the amount involved, we have identified valuation of Stock at cost as Key Audit Matter for current year Audit. Other Information

The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated cash flows and changes in equity of the Group in accordance with accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. The Holding Company's Board of Directors are also responsible for ensuring accuracy of records including financial information considered necessary for the preparation of consolidated financial statements. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring

the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error which has been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective management and Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group is responsible for overseeing the financial reporting process of each entity.

Auditors' Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial control systems in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

“Annexure – A” to the Independent Auditors’ Report

(Referred to in paragraph 1(f) under Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of ATLAS CYCLES (HARYANA) LIMITED (“the Company”) as of 31 March 2023 in conjunction with our audit of the Consolidated IND AS Financial Statements of the Company and its subsidiary companies for the year ended on that date.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, during the year most of the units were substantially non-operative and most of the employees were not available for explanation at the time of our audit, therefore, in absence of proper explanation and records, we are unable to comment on all material aspects however, an adequate internal financial controls system over financial reporting with reference to IND-AS financial statements and such internal financial controls over financial reporting were operating effectively as at 31 March 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountant of India”.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company and its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on ,internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Ind AS Financial Statements for external purposes

in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENT**Notes-2 & 3****1. Significant accounting policies****1.1. Basis of measurement**

The financial statements have been prepared under historical cost convention on accrual basis, except for the items that have been measured at fair value as required by relevant Ind AS. The standalone financial statements are presented in Indian Rupees, which is the Company's functional and presentation currency and all amounts are rounded to the nearest rupees and two decimals thereof, except as stated otherwise.

1.2. Use of estimates and judgements

The presentation of the financial statements in conformity with Ind AS requires the management to make estimates, judgements and assumptions affect the application of accounting policies and reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amount of revenue and expenses during the reporting period. The application of accounting policies that requires critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in Note 1.3. Accounting estimates could change from period to period. Actual result could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which such changes are made and, if material, their effects are disclosed in the notes to the financial statements.

1.3. Critical accounting estimates**a) Revenue recognition**

Revenue is measured at the fair value of the consideration received or receivable. Revenue is reduced by rebates and other similar allowances.

Revenue from the sale of goods is recognised when the goods are dispatched and titles have passed, at which time all the following conditions are satisfied:

- the Company has transferred to the buyer the significant risks and rewards of ownership of the goods;
- the Company retains neither continuing managerial involvement to the degree usually associated with ownership nor effective control over the goods sold;
- the amount of revenue can be measured reliably;
- it is probable that the economic benefits associated with the transaction will flow to the Company; and
- the costs incurred or to be incurred in respect of the transaction can be measured reliably

Dividend income from investments is recognized when the shareholder's right to receive payment has been established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably. Interest income is accrued on, time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

b) Useful lives and residual value of property, plant and equipment and Intangible assets

Company reviews the useful lives and residual values of property, plant and equipment and Intangible Assets at least once a year. Such lives are dependent upon an assessment of both the technical lives of the assets and also their likely economic lives based on various internal and external factors including relative

efficiency and operating costs. Accordingly useful lives are reviewed annually using the best information available to the Management.

1.4. Property, plant and equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by the Management. The Company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The management has used useful lives for assets as mentioned in Schedule II of Companies Act, 2013

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under other non-current assets and the cost of assets not ready to use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment are capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

1.5. Impairment of assets

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

If such assets are impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

1.6. Intangible assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances). Amortization methods and useful lives are reviewed periodically including at each financial year end.

Computer software which is not an integral part of the related hardware is classified as an intangible asset and is being amortized over the estimated useful life.

1.7. Employee benefits

Defined contribution plan

Employee benefits in the form of Provident Fund (with Government Authorities) are considered as defined contribution plan and the contributions are charged to the statement of Profit & Loss of the year when the contributions to the respective funds are due.

Defined benefit plan

Retirement benefits in the form of Gratuity and Long term compensated leaves are considered as defined benefit obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Other short-term absences are provided based on past experience of leave availed.

Actuarial Gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods.

1.8. Financial instruments – initial recognition, subsequent measurement and impairment

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Financial assets or a liability is recognised when the Company becomes a Party to the contractual provision of the instrument.

a) Financial assets

Financial assets include cash and cash equivalent, trade and other receivables, investments in securities and other eligible current and noncurrent assets.

Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics.

Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics.

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial assets expire or it transfers the financial assets and the transfer qualifies for the derecognition under Ind AS 109.

Investment in equity shares

Investments in equity securities are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Profit or Loss.

The company assesses impairment based on expected credit loss (ECL) model to all its financial assets measured at amortised cost.

b) Financial liabilities

Financial liabilities include long term and short-term loan and borrowings, trade and other payables and other eligible current and non-current liabilities.

All financial liabilities recognized initially at fair value and, in the case of loans and borrowing and other payable, net of directly attributable transaction costs. After initial recognition, financial liabilities are classified under one of the following two categories

i) Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial measurement recognition at fair value through profit or loss. Financial liabilities at fair value through profit or loss are at each reporting date at fair value with all the changes recognized in the Statement of Profit and Loss.

ii) Financial liabilities measured at amortised cost

After initial recognition, such financial liabilities are subsequently measured at amortized cost by applying the Effective Interest Rate (EIR) method to the gross carrying amount of financial liability. The EIR amortization is included in finance expense in the profit and loss.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires.

1.9. Taxes on income

Income tax expense represents the sum of current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income.

Current tax provision is computed for Income calculated after considering allowances and exemptions under the provisions of the applicable Income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that in future taxable profits will be available to set off such deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised.

1.10. Provisions, contingent liabilities and contingent assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting period and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized in financial statements but are disclosed, if any.

1.11. Borrowing cost

Borrowing costs incurred for the acquisition or developing of qualifying assets are recognized as part of cost of such assets when it is considered probable that they will result in future economic benefits to the company. While other borrowing cost are expensed in period in which they are incurred

1.12. Foreign currency transactions

Financial statements have been presented in Indian Rupees, which is the Company's functional and presentation currency. Transactions in foreign currencies are initially recorded by the Company at rates prevailing at the date of the transaction. Subsequently monetary items are translated at closing exchange rates of balance sheet date and the resulting exchange difference recognised in profit or loss. Differences arising on settlement of monetary items are also recognised in profit or loss.

1.13. Provision for bad debts

Provision against doubtful debtors to be created based on the age and category (good, doubtful, disputed and irrecoverable) of the debtors. Provision for Bad and Doubtful debts have been created on case to case basis after assessing the recoverability aspect.

1.14. Government grant

Grants related to specific Fixed Assets are disclosed as a deduction from the value of concerned Assets. Grants

related to revenue are credited to the statement of Statement of Profit and Loss. Grants in the nature of promoter's contribution are treated as Capital Reserve.

1.15. Cash flow statements

Cash Flow is reported using indirect method, whereby net profits before tax is adjusted for the effects of transactions of a non- cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flow from regular revenue generation, investing and financing activities of the company are segregated.

- Certain bank accounts as mentioned below in table have become non- operative due to non- KYC compliance and hence, bank statement could not be obtained for the year 2022-23. Therefore, the balances as on 31-03-2023 are taken as per book of accounts:

37 FINANCIAL RISK MANAGEMENT

The Company's principal financial liabilities, other than derivatives, comprise borrowings, trade and other payables, and financial guarantee contracts. The main purpose of these financial liabilities is to manage finances for the Company's operations. The Company has loan and other receivables, trade and other receivables, and cash and short-term deposits that arise directly from its operations. The Company's activities are expose it to market risk, credit risk and liquidity risk.

I. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise three types of risk: currency rate risk, interest rate risk and other price risks, such as equity price risk and commodity risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments. The sensitivity analyses in the following sections relate to the position as at 31st March 2023 and 31st March 2022.

The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other postretirement obligations; provisions; and the non-financial assets and liabilities of foreign operations. The sensitivity of the relevant profit or loss item is the effect of the assumed changes in respective market risks.

(a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of the fixed rate and floating rate financial instruments in its total portfolio.

(i) The exposure of Company borrowings to interest rate changes at the end of reporting period are as follows:

Particulars	As at 31st March, 2023 Amount in Lacs	As at 31st March, 2022 Amount in Lacs
Variable rate borrowings	-	-
Fixed rate borrowings	900	900
Total borrowings	900	900

(ii) As at the end of reporting period, the Company had the following variable rate borrowings outstanding:

Particulars	As at 31st March, 2023		As at 31st March, 2022	
	Balance	% of total loans	Balance	% of total loans
Loans repayable on demand (Cash Credit)	-	-	-	-
Net exposure to cash flow interest rate risk	-	-	-	-

(iii) Sensitivity

Profit/loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Particulars	Increase/ Decrease in Basis Points		Impact on Profit before Tax	
	31-Mar-23	31-Mar-22	31-Mar-23	31-Mar-22
Decrease in Profit before Tax	+50	+50	+50	+50
Increase in Profit before Tax	- 50	- 50	- 50	- 50

(b) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is exposed to the foreign exchange risk through its trading sales.

Foreign currency exposure	Currency	Amount in Forex	
		As at 31st March 2023	As at 31st March 2022
Trade Receivables	USD	-	-

II. Credit risk

Credit risk arises from the possibility that the counterparty will default on its contractual obligations resulting in financial loss to the company. To manage this, the Company periodically assesses the financial reliability of customers, taking into account the financial conditions, current economic trends, and analysis of historical bad debts and ageing of accounts receivable.

The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks, mutual funds and other financial instruments.

The Company extends credit to customers in normal course of business. The Company considers factors such as credit track record in the market and past dealings for extension of credit to customers. The Company monitors the payment track record of the customers. Outstanding customer receivables are regularly monitored. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and industries and operate in domestic markets. The Company has also taken advances and security deposits from its customers, which mitigate the credit risk to an extent.

III. Liquidity Risk

Liquidity risk is defined as the risk that company will not be able to settle or meet its obligation on time or at a reasonable price. The Company's objective is to at all times maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risk are overseen by senior management. Management monitors the Company's net liquidity position through rolling, forecast on the basis of expected cash flows.

Notes-

(i) Debt is defined as long-term and short-term borrowings including current maturities (excluding derivatives) as described in notes 19 and 22.

(ii) Total equity (as shown in balance sheet) includes issued capital and all other equity reserves.

39 Recognition of opening and closing balances of Defined Benefit Obligation

In accordance with the Payment of Gratuity Act, 1972, the Company provides for gratuity, as defined benefit plan. The gratuity plan provides for a lump sum payment to the employees at the time of separation from the service on completion of vested year of employment i.e. five years. During the year unavoidable circumstances company has not got the acyurial for the year under reporting.

These plans typically expose the Company to actuarial risks such as: investment risk, inherent interest rate risk, longevity risk and salary risk

Investment Risk	The present value of the defined benefit plan liability (denominated in Indian Rupee) is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. Currently for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

16. The MCA had notified provisions relating to unpaid / unclaimed dividend under Sections 124 and 125 of the Act and Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016. As per these Rules, dividends which are not encashed / claimed by the shareholder for a period of seven consecutive years shall be transferred to the Investor Education and Protection Fund (IEPF) Authority. The IEPF Rules mandate the companies to also transfer the shares of shareholders whose dividends remain unpaid / unclaimed for a period of seven consecutive years to the demat account of IEPF Authority.

Pursuant to Section 124 of the Act, read with Investor Education & Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ("IEPF Rules"), all unclaimed/unpaid dividends for the financial year ended on March 31, 2013, have been transferred to the Investor Education and Protection Fund (IEPF) of the Central Government during the financial year 2021-22, upon completion of seven years. In accordance with the provisions of Section 124 of the Act and IEPF Rules, the Company had also transferred 63,161 equity shares of Rs. 5/- each to the IEPF Account on which the dividends remained unpaid or unclaimed for seven consecutive years

after following the prescribed procedure.

Further, no dividend was declared by the Company for the financial year 2013-14, 2014-15 and 2015-16. Therefore, the provisions of the Act and IEPF Rules for transfer of unpaid/unclaimed dividend as well as shares on which dividend remain unpaid/unclaimed for a period of seven consecutive years to IEPF Account, for financial year 2013-14, 2014-15 and 2015-16 are not applicable on the Company.

The details of all unpaid/ unclaimed dividend and shares transferred/ liable to be transferred to IEPF are available on the website of the Company and the same can be accessed through the link: <https://www.atlasbicycles.com/unclaimed-unpaid.html>

Members, whose shares and unclaimed dividends have already been transferred to IEPF, are entitled to claim the said shares and dividend from IEPF by submitting an online application in the prescribed form available on the website <http://www.iepf.gov.in/IEPF/refund.html> and sending a physical version of the same duly signed to the Company along with requisite documents enumerated in the Form IEPF-5. Shareholder may note that only one consolidated claim can be made in a financial year as per IEPF Rules along with complete documents in support of their claim.

17. In terms of notification issued by Securities and Exchange Board of India, the company's shares are being traded compulsory in demat form.
18. As an austerity measure, copies of the Annual Report will not be distributed at the Annual General Meeting. Members are requested to bring with them their copies of the Annual Report at the meeting.
19. Member may note that No gifts, gift coupons, or cash in lieu of gifts shall be distributed to Members at or in connection with the Meeting.

20. Route Map of Venue of 72nd AGM is mentioned at the back of attendance slip.

21. The process and manner for remote e-voting and e-voting at AGM are as under:

- (i) In Compliance with the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, and Regulation 44 of the Listing Regulations read with circular of SEBI on e-Voting Facility provided by Listed Entities, dated December 9, 2020, the Company is pleased to offer e-Voting facility as an alternative mode of voting which will enable the Members to cast their votes electronically. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 (1) OF THE COMPANIES ACT, 2013 AND ADDITIONAL INFORMATION AS REQUIRED UNDER THE SECURITIES AND EXCHANGE BOARD OF INDIA (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015**Item Nos. 3 & 4:**

The Board of Directors of the Company, based on the recommendation of the Nomination and Remuneration Committee and pursuant to the provisions of Section 161(1) of the Companies Act, 2013 ("the Act") read with the Articles of Association of the Company, approved the appointment of Mr. Anuj Goyal (DIN: 01259762) and Mr. Des Raj Dhingra (DIN: 01202968) as an Additional Directors (Non-executive/Independent) for a term of 5 (five) consecutive years.

In accordance with the provisions of Section 149 read with Schedule IV to the Act and applicable provisions of the Act, appointment of Mr. Anuj Goyal and Mr. Des Raj Dhingra as Independent Directors requires approval of Members of the Company.

Mr. Anuj Goyal and Mr. Des Raj Dhingra are qualified to be appointed as Directors in terms of Section 164 of the Act and has given their consent to act as Directors. The Company has also received declarations from Mr. Anuj Goyal and Mr. Des Raj Dhingra that they meet the criteria of independence as prescribed both under Section 149(6) of the Act and the Listing Regulations and that they are not debarred from holding the office of director by virtue of any order from Securities and Exchange Board of India ("SEBI") or any such authority.

The Company has also received notice under Section 160 of the Act from Members proposing the candidature of Mr. Anuj Goyal and Mr. Des Raj Dhingra for the office of a Director of the Company.

Mr. Anuj Goyal and Mr. Des Raj Dhingra possesses appropriate skills, experience, knowledge and capabilities required for the role of Independent Director.

Details of Mr. Anuj Goyal and Mr. Des Raj Dhingra, pursuant to the provisions of (i) the Listing Regulations; and (ii) Secretarial Standard on General Meetings ("SS-2"), issued by the Institute of Company Secretaries of India, are provided in the "Annexure-1" to the Notice. Further brief profile are also mentioned in the "**Annexure-1.**"

In view of the above, appointment of Mr. Anuj Goyal and Mr. Des Raj Dhingra as Independent Directors is in the interest of the Company.

Save and except Mr. Anuj Goyal and Mr. Des Raj Dhingra and their relatives (to the extent of their shareholding, if any), none of the other Directors / Key Managerial Personnel of the Company / their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board recommends as set out in the Special Resolution set out at Item No. 3 & 4 of the Notice for approval by the Members.

Item No. 5:

The Authorised Share Capital of the Company is Rs. 10, 00, 00,000 (Rupees Ten Crores only) divided into 30,000 (Thirty Thousand) Redeemable Preference Shares of Rs.100 (Rupees Hundred) each and 1, 94, 00,000 (One Crore Ninety Four Lacs) equity shares of Rs. 5 (Rupees five) each.

Post creation of additional 8,00,00,000 (Eight Crore) equity shares of Rs. 5 (Rupees Five) each ranking pari-passu in all respect with the existing equity shares of the company, the Authorised Share Capital of the Company will increase to Rs. 50,00,00,000 (Rupees Fifty Crores only).

Due to previous losses and for re-starting operations of the company, the company requires funds & therefore the board of directors of the company decided to increase the authorized share capital of the company to Rs. 50,00,00,000 (Rupees Fifty Crores only) divided into 30,000 (Thirty Thousand) Redeemable Preference Shares of Rs.100 (Rupees Hundred) each and 9,94,00,000 (Nine crores and ninety four lakh) equity shares of Rs. 5 (Rupees five) each by creation of additional 8,00,00,000 (Eight Crore) equity shares of Rs. 5 (Rupees five) each.

Pursuant to section 13, 61, 64 and other applicable provisions of the Companies Act, 2013, the proposed increase in Authorised Capital and the consequential changes in Clause V of the Memorandum will require the approval of the Members of the Company. The resolution is therefore proposed at Item No. 5 of the Notice to increase the Authorised Share Capital of the Company.

None of the Directors and Key Managerial Personnel of the Company or their relatives are in anyway concerned or interested in this resolution. The Directors recommend the resolution at Item No.5 of the accompanying Notice for the approval of the Members of the Company.
